

Lifehouse is ready to celebrate our second anniversary and the births of 16 beautiful babies, babies that were only minutes or days away from being aborted because their mothers felt such desperation. These past two years have not been easy for any of us who have worked to bring it to reality. Daily we struggle to meet our financial needs and the needs of our residents and their families. Yet it is all worth it when we hold that baby in our arms and feel its soft skin, look into its precious face and hear its cry. It is then that you know that this little miracle is here and alive because of Lifehouse and Lifehouse is here only because many people, like you, have sacrificed their finances and talents to make sure we can exist. Every donor has truly become a life saver!

We will continue to need your financial support and your prayers. Our first big fundraiser will be on September 8 when we have Laura Ingraham as our guest speaker. This event will be held at the Marriott downtown and we hope to have 1000 people in attendance. Please mark your calendar. If you are on our mailing list you will receive information.

As you plan for spring and the new life in nature that comes with the extend daylight and sunshine, will you please consider a donation to Lifehouse to help us welcome the new life of precious babies, babies that might not see next spring if we are unable to care for their mothers.

Life is precious and so are our donors and prayer warriors. We need both!

Please call me at 897-1655 or on my cell 812-987-4505 to learn more about our needs or our event in September. A donation can be mailed directly to Lifehouse at 2710 Riedling Drive, Louisville, KY 40206

Sincerely,

Joan Smith, Executive Director
